March 2016**

---

**Washington, DC, USA**

# Joint GMI/CCAC Steering Committees Meeting

---

- Background
- Purpose/Structure
- Items for Steering Committee Consideration

# Background

---

- Promote closer collaboration with CCAC.
- Provide an opportunity to meet our CCAC counterparts in person.
- **WHEN:** Last hour (5:00 – 6:00 p.m.) of the GMI Steering Committee meeting on Tuesday afternoon.

# Purpose/Structure

---

## Purpose

- Allow an opportunity for GMI and CCAC Steering Committee members to learn about each other's initiative (e.g., organization, activities) and discuss cross-cutting issues (e.g., regional assessments, action plans, NDCs).
- Preliminary topics include:
  - Formal introductions
  - Overview of GMI and CCAC
  - Discussion of potential future collaboration
  - Discussion of potential future coordinated in-person meetings

# Purpose/Structure (con't)

---

## Structure

- Co-chaired by both GMI and CCAC (seated at head table):
  - GMI: Janet McCabe, U.S. Environmental Protection Agency and GMI Steering Committee Chair
  - CCAC: Rita Cerutti, Environment Canada and CCAC Interim Co-Chair
- GMI and CCAC Steering Committee delegates will be seated around the table in alphabetical order by country.

# Items for Steering Committee Consideration

---

- Does the GMI Steering Committee think this type of meeting is useful and if so, would it consider holding other joint meetings in the future?
- Any suggestions for additional topics for our joint discussion?
